★★★★★

EXPERIENCE

IT Support Intern

2023 - 2023

TechCorp Solutions, Chicago, IL

- Provided technical support for internal software issues and assisted with system updates.
- Participated in software testing and quality assurance tasks.

EXTRACURRICULAR ACTIVITIES

- Member of the University's Coding Club, organizing hackathons and workshops.
- Volunteer at local tech meetups, assisting with event organization and guest speaker coordination.

PROJECTS

Task Management Application

- Developed a task management app using Angular and ASP.NET Core, featuring task creation, assignment, and progress tracking.
- Implemented REST APIs for backend services and integrated user authentication.

Real-Time Chat Application

- Created a real-time chat application with Java and WebSocket, allowing users to communicate in a secure environment.
